DAILY QUESTIONS

What ChildSafe makes clear

Safe arrival

Know when a child has arrived and who marked it.

Attendance

Keep class presence records simple and reliable.

Verified pickup

Check approved people, PINs, and QR codes before release.

Parent updates

Give families timely status updates without phone-call chaos.

- Did the child arrive safely?
- Is the child accounted for today?
- Has a parent reported absence?
- Is the pickup person authorized?
- Was any pickup concern recorded?

HOW IT WORKS

A simple workflow for daily school safety

ChildSafe follows the real school day from arrival to pickup, with records that help staff act quickly and communicate clearly.

RECORD

1

Arrival confirmed

Staff mark children as arrived. Parents receive an in-app update, and WhatsApp when a phone number is on file.

2

Attendance stays clear

Classes keep reliable presence records throughout the school day.

3

Absence reported

Parents can report absence from the app before confusion starts.

4

Pickup verified

Staff scan parent QR codes or verify approved contacts and pickup PINs before release.

5

Concerns are flagged

Unauthorized pickup attempts are blocked, recorded, and visible for follow-up.

ChildSafe School

Safer arrivals. Safer pickups. Better accountability.
