

ChildSafe School

Safer arrivals. Safer pickups. Better accountability.

SCHOOL ONE-PAGE OVERVIEW

Every child accounted for. Every pickup verified.

ChildSafe School gives schools a clean mobile workflow for arrivals, attendance, parent absence reports, authorized pickup, QR gate scanning, and parent updates.

Why schools choose ChildSafe

Real-time updates

Parents see arrival and pickup changes in the app, with WhatsApp when configured.

Absence reporting

Parents can report absence before morning roll call starts.

Safer pickup checks

Staff verify approved contacts, PINs, and QR codes before release.

Reliable history

Attendance, pickups, absence notes, and alerts stay recorded.
